MADERA COMMUNITY COLLEGE

The original Madera Center got its start as a Reedley College satellite campus in 1985 to meet growing needs in the northern part of the State Center Community College District. It began in portable buildings at Madera High School and Madison Elementary School, serving approximately 158 students its first year. In that same year, an additional satellite campus was launched to serve the Oakhurst community. In 1996, local landowners donated the current 114 acres site in Madera and enrollment began to soar.

Madera Community College became California's 116th community college in July 2020. Today, Madera Community College serves more than 12,000 students at its Madera and Oakhurst campuses. The college offers over 100 degrees and certificates developed in partnership with local employers and universities to support economic growth in our region.

MISSION

“Empowering our students to succeed in an ever-changing world.”

VISION

“Madera Community College builds effective partnerships, strengthens communities, and transforms lives.”

VALUES

Connection and Collaboration

Equity and Inclusivity

Trust and Accountability

CHANCELLOR'S MESSAGE

Congratulations to the Class of 2025!

It is an incredible honor to celebrate you today on your graduation from Madera Community College. Your journey to this moment is shaped by the kind of determination that doesn't give up. Today is about your achievement, but it's also about your resilience, your courage, and the belief you held onto, even when things got tough. Earning a college degree is no small feat, and I am deeply proud of each one of you.

As Chancellor of the State Center Community College District, I have the privilege of witnessing how education transforms lives, and your journey is a powerful reminder of that truth. Carry with you the knowledge, courage and compassion you gained here.

Commencement means beginning, and whether you're stepping into a new job, transferring to a university, or chasing a dream still taking shape, this is just the start of something exciting. Your education opened a door, and now the path ahead is yours to choose.

As you move forward, I encourage you to stay curious. Lifelong learning isn't just about degrees or certificates - it's about the mindset of always growing, always exploring, and always seeking to understand the world and your place in it.

Take a moment to reflect on the people who helped you reach this day - those who encouraged you, challenged you, and stood beside you. Their belief in you mattered. Someday, you'll have the chance to be that person for someone else; to pay it forward and light the way for another learner. Your story can be the spark that changes a life.

Madera Community College has given you a strong foundation. Now, go out and build on it. Make your mark. Strengthen your family and community. Use what you've learned to make the world just a little brighter.

We are so proud of you. You are now and forever a part of this college family. Congratulations, Madera Community College Mountain Lions!

Wishing you a future full of purpose, opportunity, and joy.

Dr. Carole Goldsmith, Chancellor
State Center Community College District

PRESIDENT'S MESSAGE

Congratulations Class of 2025

Today is a major milestone, and I am proud of each one of you here today.

You worked hard to get to this day. You balanced school and life commitments to make your future a priority. It may not have always been easy, but you did it!

Each of you has a unique story, and now your story includes being a college graduate. As you walk across the stage, I hope you feel the weight of your accomplishment. You have taken a step toward a better future. You made your friends and family proud. You set an example for those around you.

I hope you will look back on your time at Madera Community College and remember the people who invested in your success. That professor who challenged you. The counselor who made sure you had the resources you needed. The staff member who noticed you and made sure you felt like you belonged.

Whether you plan to pursue another college degree or move directly into using your gifts and talents in the workforce, I am confident this is only the beginning.

Continue to take on new challenges—to learn and grow. This is how you will succeed in an ever-changing world.

On behalf of our faculty and staff, congratulations! Carry that Mountain Lion pride out into your community and use what you have learned to serve others and make our world a better place.

Dr. Ángel Reyna, President
Madera Community College

MENSAJE DEL PRESIDENTE

Felicitaciones Clase de 2025

Hoy es un hito importante, y estoy orgulloso de cada uno de los que están hoy aquí.

Han trabajado duro para llegar a este día. Han equilibrado los compromisos escolares y vitales para hacer de su futuro una prioridad. Puede que no haya sido siempre fácil, pero lo han conseguido.

Cada uno de nosotros tiene una historia única, y ahora nuestra historia incluye ser un graduado universitario. Al cruzar el escenario, espero que sientan el peso de su logro. Han dado un paso hacia un futuro mejor. Has hecho que tus amigos y tu familia se sientan orgullosos. Has dado un ejemplo a los que te rodean.

Espero que mires hacia atrás en tu tiempo en el Colegio Comunitario de Madera y recuerdes a las personas que invirtieron en tu éxito. Ese profesor que te desafió. El consejero que se aseguró de que tuvieras los recursos que necesitabas. El miembro del personal que se fijó en ti y se aseguró de que sintieras que pertenecías.

Ya sea que planees obtener otro título universitario o pasar directamente a utilizar tus dones y talentos en la fuerza laboral, estoy seguro de que esto es sólo el comienzo. Sigue aceptando nuevos retos, para aprender y crecer. Así es como tendrás éxito en un mundo en constante cambio.

En nombre de nuestro profesorado y personal, ¡felicidades! Lleva ese orgullo de Puma a nuestra comunidad y utiliza lo que has aprendido para servir a los demás y hacer de nuestro mundo un lugar mejor.
