

NAME OF PROGRAM: Certificate of Competency in Academic and Vocational English as a Second Language (M. 3031.CC)

NAME OF DEGREE/CERTIFICATE: Certificate of Competency

PROGRAM DESCRIPTION

The Certificate of Competency in Academic and Vocational English as a Second Language prepares intermediate level ESL students with the reading, writing and oral skills in English needed to succeed in a variety of advanced academic and vocational situations. Students attaining this certificate will be ready to begin study in vocational and academic programs.

This is a noncredit Certificate of Competency. Students must take the noncredit option for ESL courses to achieve the certificate.
